Saint Paul Catholic School

Success begins @ Saint Paul

Dear Saint Paul Benefactor,

The Catholic School Difference; this was a recent article in the Wall Street Journal highlighting the self-discipline that catholic school students learn. The need for self-discipline, civility and citizenship in our young people has never been greater. Saint Paul Catholic School in New Bern offers our children not only academic excellence but the opportunity to build a foundation based on God's love with self-discipline, civility and citizenship.

Saint Paul strives to serve every family which comes through the doors seeking a true education for their child, where spiritual growth is affirming and uplifting. This can only be accomplished with the help of the parish as well as the support of many community donors. New Bern is fortunate to have a Catholic School that strives to serve all families.

Saint Paul Catholic School annually hosts a Fall Festival as well as a Spring Gala, "Reach for the Stars". The proceeds of these events go directly to the school for enhancement programs as well as student scholarships. We plan on doing these again this year with a bit of a modified schedule, a result of Hurricane Florence.

Our Gala will be held March 23, 2019 at the Flame. The festival will now become a Spring Festival and that will be May 3rd. The success of these events is directly tied to school, family, parish and community involvement.

We sincerely hope you will consider supporting Saint Paul School.

Please consider supporting *The Catholic School Difference*. Do not hesitate to reach out to either one of us and we look forward to seeing you at the Gala and the Spring Festival.

Proverbs 22:6 "Train the young in the way they should go; even when old, they will not swerve from it."
