A Note From the Photographer...

Good Evening Saint Paul Parents! I am so blessed to have the opportunity to take the school pictures again this year! I am going to run things as we did last year. To access the photos just click on this link-<https://apphotography7.pixieset.com/spcs2020/> and enter the password SPCS2020. You may also be asked for your email address.

Once into the gallery the classes will be listed below the gallery wall photo. Click on your child's grade and then scroll to find your photos. Ordering is easy and simple, just click on the photo you would like and hit the shopping cart button in the top right corner of the photo. There you can choose packages, digital downloads of photos a la carte. Please be sure to check the crop sensors when you select your photos. You can adjust the crop if need be! If you have any questions or request, please email Amanda Pumphrey at amandapumphreyphotography@gmail.com

Thanks for the opportunity to photograph your children!
